The Royal Portfolio Announces The Farmstead at Royal Malewane

Greater Kruger National Park, South Africa (July 2018) — The Royal Portfolio has announced the opening of The Farmstead. An exclusive new safari lodge at Royal Malewane. The Farmstead **will open on 1 June 2019** and reservations are now open.

Following the refurbishment of the existing lodge, building work is already up to ceiling height at The Farmstead which is just a 12 minute drive south of the existing lodge. Liz Biden, owner of The Royal Portfolio, has already acquired much of the eclectic furniture and original art. Commenting on the unique style, Liz Biden said, “Expect light oak, tin rooves, wrought iron and gentle hues of blue and white with Royal Blue, Indigo and Turquoise patterns adorning the fabrics of the comfy sofas on wide verandas.”

Accommodation at The Farmstead will include three Luxury Farm Suites and The Farmhouse – a four bedroom villa offering private services. The main lodge area will have a double spa treatment room, a gym, fire pit and vast deck where guests can relax and take meals while watching the abundant wildlife visiting the surrounding waterhole.

The Farmstead will offer the same incredible safari experience with Africa’s most qualified guiding team as well as the same exceptional service and cuisine that guests have come to expect over 20 years at Royal Malewane. Rates are fully-inclusive of accommodation, meals, drinks, game drives and bush walks.
